

Farm Photo Scavenger Hunt – Clues

This animal lays the eggs
That we eat in the morning
Or if left untouched
They'll hatch without warning

This is a male chicken
That is early to rise
His natural alarm
Can be quite a surprise

This is a large building where animals sleep,
alongside the farm supplies we keep.

With this motorized machine
We plow up the ground
It's large with wheels
And it makes a loud sound

This black and white animal
Often says, "Moo"
And will make a great steak
For me and for you.

This is what horses eat,
as they prefer not to eat meat

This smelly animal
Will be made into pork
And when the time is right

We will eat it with a fork

This animal yields wool
For making winter clothes
Commonly used for sweaters
Or socks to cover toes

Used to nourish plants
This keeps them far from dry
Without this important substance
They will surely die

This animal wears a saddle on its back
And gallops across the land
It has a pretty tail and mane
And will eat out of your hand

This comes from a cow
And is something that we drink
If you leave it out to spoil
It will start to stink

This crop is grown
For making bread
Without this it would be hard
To keep the family fed

This substance is used
To keep away insects
It should be washed
From the crops it protects

This is the name
For a baby dog
The name rhymes with “yuppie”
And is smaller than a hog.

ANSWER: Puppy
