

Farm Photo Scavenger Hunt – Clues

This is a fruit
That grows on a vine
And if done the right way
Can be made into wine

This is a substance
That helps crops to grow
Farmers sprinkle their crops
And don't miss a row

This is a barrier
That keeps animals inside
They can not get past it
Unless a gate opens wide

This is a crop
That is yellow in hue
It comes on a cob
For me and for you

This is a place
Where people shop
They come here for food
And buy the farmer's crop

This is a fruit
That comes in red or green
It can be made into
The best pie you've ever seen

These are pollinated by bees
And come in many colors
They have a desirable scent
And are different from all others

They are tasty and red
And make a great treat
They grow on a tree
And are not apples or meat

These must be planted in the ground
For crops to grow
With sunlight and water
They sprout up from below

This is a fluffy crop
That's color is white
It can be made into products
That are a delight!

This is the vegetable
That French fries are made of
They can also be mashed
And are easy to love

This tool is used
To gather up leaves
Then we put them in piles
After they fall from the trees

We put this seat
On the back of a horse
They must be trained
To wear them of course

Cereal is made
From this popular crop
The word rhymes with "rain"
Keep guessing, don't stop!
