It may feel better with a full one in your hand  
But an empty one's fine when you find a beer can!

If you see one of these, point your camera and shoot  
Find somebody who has words on their bathing suit!

They may be there already so watch where you go  
You will need to find yourself knee-deep in a hole!

No one knows why for sure, but have thoughts in their mind  
Find some clothing that someone else has left behind!

Often used for the rain, but can also block sun  
Find an umbrella in the sun to cross off this run!

While much easier found in a park on the grass  
You can grab a leaf here if your movement is fast!

Doing this on dry land is easy as can be  
Try a completing a handstand while you're in the sea!

Though recycling works, it's not always this way  
Find a newspaper page from a different day!

For collectors, this will be a fun one as well  
Try collecting three different types of seashells!

It might take some good rolling around for a plan  
Make sure someone is captured while wet in the sand!

Every color is out there for your eyes to find  
Find a green bathing suit, to succeed at this rhyme!

Do be careful as they can cut up your hand  
Find a piece of glass lying right down in the sand!

With the proper balance, and the heart of a kid  
You can finish a sand three-person pyramid!

With no lotion around and the sun being shed  
Find somebody sunburned and a photo of their skin!
