

Town Scavenger Hunt  
Photo Riddles for Adults

As you make it to town, please be careful at least  
You will have to have proof that you found the police!

When you think of this challenge, there's really a range  
Have a photo of *everybody* acting strange!

If you happen to find something furry and small  
Try to pet it and smile - It won't bite you at all!

When it comes to hairstyles, decisions are made  
Find a female who has their hair done in a braid!

With a noise in the background, there may be a chance  
It is music inspiring you to go dance!

If you balance well, then clear your plans  
On the sidewalk, do a handstand!

You might find chewed gum down on the ground  
But on a building, have that found!

If you see someone wearing one, dare to be bold  
Take a picture of a watch if it has some gold!

If money's always on your brain  
Then search the town for some loose change!

There are places to eat everywhere that you go  
Have a seat next to someone that you do not know!

It may be easy for one of you to play dead  
Someone do this in town with their shirt on their head!

By the looks of it they want to be left alone  
Find an angry person talking on their cell phone!

If the weather is sunny and there is no fog  
It is easy to find someone out for a jog!

If it happens quite quickly, you won't want to miss  
Capture any two people enjoying a kiss!
