

Valentine's Photo Scavenger Hunt – Clues

I'm full of love, I'm red, I'm sweet,
And if you listen you can hear me beat.

We come in a box,
We're tiny and say
Sweet things to you
On Valentine's day.

I'm red and green,
And I smell nice, too.
Give me to someone
To say I love you.

I have wings and a bow,
And I fly through the air,
And when you're hit by my arrow,
You start to care.

I'm lacy and white,
And I say things so sweet
The one that you like
Will give you a treat.

Open me up,
And inside you'll find,
Tasty treats
Of every kind.

I chirp and I tweet,
I'm white and I sing,
A true-love song
For love in the spring.

I go round and round,
And I never end,
I'm silver or gold,
You give me to a friend.

I come in a bunch,
I'm tied with a string,
I'm colorful and sweet
And I grow in the spring.

I have an open door,
And a little flag, too.
Check me for mail
When you're feeling blue.

I'm wrapped in gold
I'm brown and you eat me.
I taste really good,
I'm just so yummy.

I'm wrapped in silver
With a pointy top.
And when you eat one of me
You won't want to stop.
