

Zoo Scavenger Hunt
Photo/Video Riddles for Children

As the king of the jungle, be sure to take care
Find a lion whose mane is filled with its big hair!

They may be a bit friendlier than all the rest
Pet an animal and you will have passed the test!

When you come across one you will not want to clap
Capture any mammal that is taking a nap!

Imitating an animal is always fun
Act like any animal that's a wild one!

If you listen to birds they can sing you a song
Sing a song to some birds to show them you belong!

In a zoo is where something like this can be found
Find an animal that burrows under the ground!

When you find one of these you can jump up and dance
Get an animal larger than you to eat plants!

Some are slimy and others have very long tails
Get a picture of something covered with green scales!

Where there's water is where this animal is found
Film a mammal under water, swimming around!

There are certainly many fish out in the sea
Can you find one with three or more colors to see?

All the walking around works up an appetite
Try to act like a Tiger when you take a bite!

Everybody loves seeing monkeys at the zoo
Get one to copy you-monkey see, monkey do!

Whether it be a giraffe or a crocodile
Find an animal offering you a big smile!

Every one in your group will be doing just fine
Acting like different animals at the same time!
